

A new living space that goes beyond means of transportation,
STARIA CAMPER

“STARIA CAMPER”, manufactured based on Hyundai Motor Company’s Staria (US4), is a new living space that goes beyond means of transportation. With expandable living space and high-end amenities for camping, it provides a pleasant and relaxing experience without worrying about long trips.

CAMPER11

The spacious 11-seater interior space and fully automatic POP-UP ROOF system increase satisfaction with the interior experience and space utilization.

Full-flat seats that are comfortable to use or lie down comfortably and convenient equipment that can be used easily and conveniently inside the vehicle make travel easier.

01. Fully Automatic POP-UP ROOF SYSTEM _ This is a fully automatic POP-UP ROOF SYSTEM that can be operated with a dedicated controller, providing additional space.

02. POP-UP Roof Sleeping Space (2 adults can sleep / Max 200kg)

It is wrapped in fabric to improve condensation on the ceiling.

03. Full Flat Seat _ This is a folding seat applied from the 2nd to 4th rows, and helps to secure the necessary indoor space when camping or sleeping.

04. POP-UP Controller (available when some function options are added)

Fine adjustment of functions is possible with the controller at the top of the first row.

05. Awning System (Option)

06. Slide Folding Table (Option)

07. Air Mattress _ This is an air injection type mattress.

CAMPER 4

CAMPER4 (EXTERIOR)

STARIA CAMPER is based on the existing Staria Lounge made with the theme of 'Inside Out' and was reborn as a camper that satisfies daily life and healing at the same time. We present a new paradigm for campervans with a clean and luxurious design in line with the elegant curves and open design.

01. Fully Automatic POP-UP ROOF SYSTEM _ The POP-UP roof sleeping space that is covered with fabric to improve condensation on the ceiling. (Max 200kg)
02/03. Roof Bed and Roof Door (Driving Mode / Camping Mode) _ You can work while standing by raising the hydraulic ceiling, and you can enjoy a panoramic view indoors.
04. External Power (Top) and Fresh Water Supplier (Bottom) _ The fresh water key is stored in the shower box.
05. Solar Panel (Option)
06. Awning System (Option) _ The awning open unit is located on the back of the furniture.
07. Non-Ignition Heater (Option)
08. Mosquito Net (1st, 2nd Row, Rear) (Option) _ It is detachable, so convenience is increased.
09. Sewage Tank & Sewage Drain Valve

CAMPER4 (INTERIOR)

The interior of STARIA CAMPER provides a premium camping sensibility with excellent openness and convenience by using the space in detail. It boasts lightness with furniture made of composite material, and the piece or outlet is hidden to enhance the degree of completeness.

10. Sink Faucet Set & 36L Built-In Refrigerator
11. Folding Indoor Table _ Improved utilization of the indoor space.
12. 3rd Row Side Shelf _ The side shelf can also be used as a simple table.
13. BOSS speaker and rear curtain (Option)
14. Shower _ It is detachable, so you can take a simple outdoor shower.
15. Slide Rear Table _ It is fast and easy to install the outdoor table without tools.
16. 12.1-Inch Foldable Integrated Control Monitor (Controllable with Dedicated Application) _ Folding rotation method is applied.
17. Overhead Roof Controller _ You can conveniently operate POP-UP roof, lighting, heater, refrigerator/water pump/inverter functions from the first row.

SEAT VARIATION

You can relax in a comfortable and free posture while driving with the free seat change of the electric full flat seat.

When camping, the direction of the 3rd row seats can be changed to the rear so that you can see the outside from the inside. (For safety reasons, you cannot sit on the 3rd row bench while driving.)
